

Japanese for space efficiency

## **AUTOMATIC STORAGE AND RETRIEVAL SYSTEMS**

Multi-tiered driving ranges – when space is at a premium it has to be used efficiently. Daifuku's ASRS do just that – simply increasing the storage density and reducing operational cost.

Our materials handling equipment is second-to-none, and our experts combine consultation, planning, design, software, project management, installation and training – bringing you true systems integration. To find out more, call **01753 581000**, email [sales@daifuku.co.uk](mailto:sales@daifuku.co.uk) or visit [www.daifukueurope.com](http://www.daifukueurope.com) now.
